Simple Solutions in a Complex World

BREXIT Readiness Questionnaire

Question	Detail required	Answer	Question	Detail required	Answer			
Exporter/Importer of the goods Full details including address.	If you are the exporter or importer, shipping to or from Britain to/from Ireland or EU please provide full company name and address.		Description of Goods	Please provide detailed description of goods				
Contact person name			Average value of a shipment	Please advise approximate value per shipment				
Contact person email			Any certificates that need to go with the goods eg Hazardous / Preference	Are any of the goods hazardous? Are there any restricted items or items requiring certification?				
Company Registration Number			Any idea of the number of commodity codes per shipment	List as many of the HS codes for products shipped as possible.				
Company VAT Number			Incoterm	Under what terms are goods sold? Full list of incoterms available on our website.				
Is the Company registered for an EU EORI?		Importer of Record at destination	Who will be responsible for customs clearance of goods at destination? Who will pay VAT? Who will own goods?		Shipment volumes (1x/day, or per week, month,...)	How often and in what volumes do you plan to ship?		
Customs licenses and/or customs guarantees	Are any licences required?		End-destination of the goods (can be different than the importer)	Are goods terminating in initial country of destination? If not, where is final destination?		Preferred / most used routing	Will goods move direct to country of destination or would UK landbridge (for example) be used?	
Simplified Procedures Used and/or customs held agreements	How will goods be entered in country of destination?		Countries you will export to or import from.	Please provide full list of countries you expect to export to or import from if you are a British Company.		Completing this form with as much detail as possible will greatly help us assess your readiness for Brexit.
